WHOLESALE PRICE LIST

—OF—

THE JEFFERSON COUNTY NURSERIES,

FOR THE SPRING OF 1894.

The G. J. Carpenter Co.,

FAIRBURY, NEBRASKA.

Terms and Conditions.

TO THE TRADE.—In offering this Price List we wish to thank our many patrons for the kind favors shown us in the past, and would further say that with increased shipping and handling facilities, a large and more complete stock, and competent help, we hope to do even better by you than we have in the past.

1st.—Packing done in the most thorough manner in good boxes and bales for which we charge enough to cover cost.

2d.—Free delivery at railroad depots here and at Kesterson, Neb. We take every precaution in packing and forwarding, but will in nowise be responsible for delay or damage to stock in transit.

3d.—Terms, five per cent discount on orders from this list paid in full before shipment.

Parties wishing to pay in advance should state quality of stock wanted early, that we may estimate packing.

Orders from unknown parties must be accompanied by one-fourth cash; balance before shipment.

Remit by draft, P. O. order, registered letter, or money by express—not private check.

VARIETIES.—We will supply varieties as far as possible, but reserve the right to substitute unless ordered to the contrary.

While we use all precaution to have stock true to name, in no case will we be responsible should a mistake occur, for more than the actual price paid for the stock.

Our office and packing grounds are only two blocks from the Grand Island depot.

A side track passes through our grounds and we load cars direct from the packing house.

TO DEALERS.—We offer all the facilities found in the west, such as dealers' sheds and hydrants and hose for watering stock. When orders exceed $100 we furnish tie, labels and tags free. Our charges for labor and billing will be found moderate. Stock from other growers cannot be brought on our grounds to pack unless we are unable to supply the same, and then only by our permission.

Dealers are requested to carefully aggregate their orders, giving size or age as per our list, that no delay or errors may occur in filling orders or making out bills.

Our shipping facilities are the best. We ship by three express companies and three different railroads—the B. & M., the St. Joe & Grand Island, in connection with the U. P., and the Chicago, Rock Island & Pacific.

Orders should be sent in early as our stock is limited. Correspondence solicited. Five trees at ten rates; 50 trees at 100 rates; 500 trees at 1000 rates.

☞We want it distinctly understood that on a general bill of goods, such as dealers use, we will not be undersold by any firm west of the Mississippi river.

REFERENCES.—The Goodrich Brothers' Banking Company and the Harbine Bank of Fairbury, Nebraska.

We have the Nurserymen's Telegraphic Code on file in our office and all parties wishing to wire us can use the characters mentioned in code.
